Kenyatta University

13th Postgraduate Seminar Abstracts

From 3rd to 7th October, 2005
KENYATTA UNIVERSITY

13th Postgraduate Seminar Abstracts

From
3rd - 7th October 2005
## Table of Contents

| Acknowledgements ........................................................................................................ | 1 |
| SCHOOLOFEDUCATION ........................................................................................................ | 2 |
| CHESETO NANCY (M.ED) “Students’ Problems and their Attitudes Towards Seeking Counseling Help: A Study of Some Selected Secondary Schools in Nairobi, Kenya” ......................................................... | 2 |
| EMONG’OLE, LAWRENCE AKIJAKIN (M.ED.) “Gender Disparities in the flow of pupils in public primary Schools in Teso District, Western Province, Kenya” .................................................................................. | 3 |
| MOGENI, JACKSON MOBISA (M.ED) “Factors Influencing Utilization of Resources in Teaching Kiswahili in Selected Public Secondary Schools in Transmara District, Kenya” .................................................. | 4 |
| ONDIEKI PAUL WYCLIFFE (M.ED) “factors influencing Risky sexual Behaviours Among University Students in Kenya” .................................................................................................................. | 6 |
| BITENGO TERESA MWOMA (M.ED) “Factors That influence pre-school teachers’ Attitude Towards Teaching Mathematics: A Study of Kasarani Division, Nairobi Province” ...................................................... | 8 |
| MARY WAMUYU NDEGWA (M.ED) “Factors Influencing Pre-School Teachers’ Attitude Towards Child-Centred and Teacher-Centred Teaching Methods in Nairobi, Kenya” .................................................... | 10 |
| JIMMY ANNE LOKO (M.ED) “Relationship Between Academic Achievement and Educational and Occupational Aspirations Among Adolescents in Machakos Central Division” ...................................................... | 11 |
| NYAGA, BEATRICE M (M.ED) “Effects of Delayed Fees Payments on the Teaching and Learning Process in Public Secondary Schools In Mbeere District, Kenya” .................................................................................. | 11 |

*13th Postgraduate Seminar Graduation Abstracts 3rd - 7th October, 2005*
MA NICHOLAS OMONDI (M.ED) “Relationship Between Achievement Motivation and Performance in English Composition Writing Among Secondary School Students In Nyando District, Kenya.” .......................... 13

MAKOTI NTEMBE MWANASAID (M.ED) “Terms and Conditions of Service and their Relationship to Motivation of Pre-School Teachers in Kwale District, Kenya” .................. 16

MUTUA ESTHER KAREMA (M.ED) “Inclusive Education for the Gifted and Talented Learners: the Case of Mwangaza Primary School in Kenya” ................................................. 17

MINGAINE STEPHEN L. (M.ED.) “Financing Public Secondary Schools Development Projects in Meru North District, Kenya” ............ 18

EPARI CHARLES EJAKAIT (M.ED) “Financing Special Needs Education in the Context of Free Primary Education: A Study of Public Schools in Bungoma District, Kenya” ............... 20

GITAU M. MUGURE (M.ED) “Relationship Between Form Four Students’ Achievement Motivation, Self-efficacy and Mathematics Performance in Nyandarua district, Kenya” ....................... 21

KIBUI FRANCIS NDUNG’U (M.ED) “Attitudes of Secondary School Students Toward Seeking Counselling Help: the Case of Thika District, Kenya” .............................................................. 21

EGO ROSE JEPKORIR (M.ED) “Readability of HIV and AIDS Printed Materials Used in Kenyan Secondary Schools: a Study of Nairobi Province” ............................................................. 22

WANJAU AGNES WANJA (M.ED) “Development of Signs for Scientific Terms in Schools for the Hearing-Impaired” ...................... 24

MUSOGA RUTH ALUSA (M.ED) “Cost Saving Measures in Public Secondary Schools: A case of Kakamega District” .................. 25
JACKLINE K. ANYONA (M.ED) “The Cost of Private University Education and its Implications on Access by Different Socio-Economic Groups in Kenya” ............................................................. 26

ELIJAH GITONGA RINTAUGU (PH.D) “Socialization of Secondary School Athletes into Sports in Kenya” ................................................................. 27

OTIENO WYCLIFFE (PH.D) “Enhancing Student Choice and Institutional Efficiency in Higher Education: the Prospects for Educational Vouchers in Kenya” .................................................................. 29

SCHOOL OF ENVIRONMENTAL STUDIES & HUMAN SCIENCES .... 31

KIURA JONATHAN MURIUKI, (M.ENV.S) “Informal Agroforestry Tree Seed Quality and Supply Systems: A Case of Peri-Urban Nairobi, Meru and Western Kenya” .................................................................................. 31

JOSEPH KATHIAI KURAUKA (M.ENV[S]) “An Investigation of Wood Products Consumption in Kisumu Town, Kenya: Implications for Sustained Tree Planting” .................................................................................. 33

EDWINAA. OCHIENG (M.SC.) “Factors that Influence Glycaemic Control in Diabetes Mellitus: A Case Study of Kenyatta National Hospital”. 35

KIAGE BEATRICE NYANCHAMA (M.SC) “The Effects of Nutritional Status on Surgical Outcome Among Abdominal Surgery Patients at Kenyatta National Hospital Kenya” ................................................. 36

13th Postgraduate Seminar Graduation Abstracts 3rd - 7th October, 2005
MARUTI, LYDIAH WASWA (M.SC) “Factors Influencing Nutritional Status of Preschool Children in Kimilili Division-Bungoma District”...... 39

MWAKIMA W. MARGARET (M.ENV.S) “Opportunities and Constraints Towards Sustainable Ecotourism Development in Kenya’s Rangelands: The Case of Il Ngwesi Communal Ranch and Sweetwaters Game Sanctuary, Kenya”.................................................. 40

SHIKURI ROSE M. (M.SC.) “Nutritional Status and Food Consumption Patterns of Children With Cancer: A Case of Kenyatta National Hospital, Kenya”.......................................................... 43

BARAKE LUKAS MOENGA (M.ENV) “Community-Based Interventions for Sustainable Management of the Mount Kenya Ecosystem: A Case Study of Hombe Forest Area, Nyeri District, Kenya”.................................................. 45

RUGURU SARAH MWANIKI (M.SC) “Risk Factors Associated with Nutritional Status Among the Older Persons in Selected Homes for the Aged in Nairobi and Kiambu, Kenya”.................................................. 46

SHIHUNDU DAMARIS ASHIOYA (M.ED) “The Impact of Maternal Nutrition Education on Nutritional Status of Children Under Five Years Old in Butere Division, Kenya”.................................................. 47

AGWATA JONES FAIRFAX (PH.D) “The Characteristics of Hydrological Drought in the Upper Parts of the Tana Basin, Kenya”................................. 50

SCHOOL OF BUSINESS............................................................................. 52

KARIITHI, PETERSON THUO (M.SC FINANCE) “Factors Determining Availability of Microfinance to Small-Scale Entrepreneurs in Mathira Division, Nyeri District”.................................................. 53

OKUMU, ARGAN W. (M.SC) “Impact of Privatisation on Firm Performance: A Case of Selected Privatised Firms in Kenya”.............................. 54

School Of Pure & Applied Sciences........................................... 55

TERESIA MWIKALI KYULU (M.P.H.E) “Factors Influencing the User-Choice of Integrated and Stand-alone Voluntary Counselling and Testing Sites in Nairobi Province, Kenya.”.......................... 55

ASITO STEPHEN AMOLO (M.SC) “Immunophenotypic Characterization of B and T Cells in Children During Acute and Recovery Phases of Malaria”...................................................... 56

ROTICH ROBERT KIPKIRUI (M.SC) “Microprocessor-Based Control of a Robot with Three Degrees of Freedom”........................................ 57

ABDULREHMAN FATMA. (M.SC) “Isolation and Characterization of Bacterial Pathogens in Fresh Cut Vegetables and the Effectiveness of Routinely Used Disinfectants”............................................... 58

LUCY ATIENO MAMBO (M.SC) “Establishing Realistic Chlorine Concentrations and Conditions in the Control of Bacterial Contamination in Selected Vegetables at Homegrown Prepared Packinghouse”......................... 59

EVELINE WANGUBA SHITABULE (M.SC) “Screening Maize Germplasm for Resistance Against Fusarium Moniliforme and Management Strategy Using Neem Biopesticides”........................................... 60

JIM KAGAI (M.SC) “Application of Pcr Techniques Utilizing Sputum and Urine for monitoring Wuchereria Bancrofti Infection in Malindi District, Kenya”................................................. 62

13th Postgraduate Seminar Graduation Abstracts 3rd - 7th October, 2005

ABDULATIF ALI SAMATAR (M.SC) “Isolation and Characterisation of Aeromonas Species From Boreholes and Wells in Selected Towns of Kenya” .......................................................... 64

MUIYA A ALBANUS KIMEU (M.SC) “Microbiological and Chemical Survey of Athi River and its Upstream Tributaries” ................................................................. 65

OKUN DANIEL OTIENO (M.SC) “Analysis of Genetic Diversity in Eucalyptus Grandis (hill ex maiden) Seed Sources Using Inter Simple Sequence Repeats (issr) Molecular Markers” ................................................ 66

GIKONYO MERCY WAIRIMU (MPHE) “Drug Abusers and Parental Knowledge on Factors Predisposing the Youth to Drugs and Substance Abuse in Nairobi Province, Kenya” ................................................................. 67

THADEUS OBADHA ODENYO (MPHE) “Assessment of Knowledge, Attitude and Practices Towards Malaria Prevention and Control Among Primary School Children in Busia district, Kenya” .... 68

ANDALA M, DICKSON (M.SC.) “A Study of the Reactions of Halocarboxyls, \([m(co)_{4x2}]_2\) \((m = mo, w; x = ci, br)\) With Monocyclic Secondary and Tertiary Alkylamines” ................................................................. 69

MATU, SOPHIA WANJA (M.SC) “Determination of the Biocidal Effect of Sodium Hypochlorite in Smear Microscopy for Diagnosis of Tuberculosis in Absence of Safety Cabinet” ................................................................. 70

ODHIAMBO CHARLES ODUOR (M.SC) “Characterization of Coarse Particulate Organic Matter (Cpom) Standing Crop and Its Retentive Structures Along A Low Order Tropical Stream: Sagana River, Kenya” ... 71

MUSWALI A. GABRIEL (MPHE) “Factors Influencing Newcastle Disease Vaccine Biotechnology Adoption by the Small-Holder Poultry Farmers in Kathiani And Central Division of Machakos District, Kenya” 72

CHARLES AURA MIDEKA (PH.D) “Impact of a Habitat Management System and Bt-Maize on Stemborer Natural Enemies and Biodiversity of Arthropods and Soil Fauna in Kenya and South Africa” ................................. 74

JUDY WAIRIMU MUGO (MPHE) “The Usage of Non-Prescription Drugs by The Residents of Nairobi City, Kenya” ........................................ 76

SUSAN MWANGO BOSIRE (M.SC.) “The Influence of Childcare Practices on the Nutritional Status of Pastoral and Agro-pastoral Children in Katilu Location, Turkana District” ............................................. 77

MURERWA JOYCE MUKIRI (MPHE) “Use of Family Planning Methods Among Women of Child-Bearing Age: A Case Study of Kibera Slum, Nairobi Province, Kenya” ............................................. 78

MARK OTIENO (M.SC.) “The Effects of Herbivory on Interactions of Pollinators and Flowers in Acacia spp. (Fabaceae, Mimosoideae) in Laikipia District of Kenya” ............................................. 80

MBWIRIA ESTHER KATHURE (M.SC. [ENT.]) “Characteristics and the Impact of Rotating Savings and Credit Associations on the Growth of Micro and Small Enterprises in Nairobi – Kenya” ............................................. 81

FIDELIS GATHONI MBUGUA (MPHE) “Consumer Knowledge of Health Risk Associated with Marketed Milk: A Case Study of Kibera Division, Nairobi-Kenya” ............................................. 83

MARGARET W. KUNG’U (MPHE) “Factors that Influence the Practice of Mothers Towards Geohelminthic Infections Control in Kibera, Kenya” ............................................. 84

GITIMU ANNE MUTHONI (MPHE) “Factors Influencing the Use of Antiretroviral Drugs in the Prevention of Mother to Child Transmission of HIV in Nairobi, Kenya” ............................................. 85
CAROLINE A. OGUTU (MPHE) “Mothers’ Diagnosis of Childhood Malaria, Household Referral Patterns and Drug Use in Muthurwa and Kibera, Nairobi, Kenya” ...................................................... 86

MUJIBI NAGWALLA FIDALIS (M.SC) “Genetic Characterisation of West African Dwarf (Wad) Goats Using Microsatellite Markers” ................................. 87

BENEAR APOLLO OBANDA (M.SC) “Evolutionary Relationship Between Trypanosoma Evansi and Trypanosoma Brucei with Respect to Specific Mitochondrial Antigen and Phenotype Knockout Analysis” ...................................................... 88

MANDO KENNETH MAINA (MPHE) “Perception of Hiv/Aids by Primary School Pupils in Thika Municipality, Thika District, Kenya” .......................................................... 89

JOSHUA GITONGA M’IMAITA (MPHE) “Influence of Mass Media on Adolescents’ Express of Sexuality and Sexual Behaviour in Nairobi Province, Kenya” .......................................................... 90

ONG’ AMBO, GEORGE OTIENO (MSC) “An Assessment of Lepidopteran Stemborer Species Distribution in Relation to Diversity of Wild Host Grasses in Maize and Sorghum Growing Zones in Kenya” .......................................................... 92

M’NDUYO CYPRIAN NKONDI (M.SC) “The Impact of Hiv/Aids Pandemic on Management of Micro and Small Enterprises (Mses) at Gikomba Market in Nairobi, Kenya” .......................................................... 93

CATHERINE NYONA MALELE (M.SC) “Phytochemical and Antimalarial Screening of Some Plants Used in Traditional Medicine in Coast Province of Kenya” .......................................................... 94

WACHIRA, MARY NJOKI (MPHE) “Utilization of Voluntary Counselling and Testing Services Among University Students: A Case Study of Nairobi, Kenya” .......................................................... 95

OKOTHE EVANS OUMA RABALLAH (M.SC) “Studies on Species Diversity, Host Preference, Host Suitability, Longevity and Fecundity of Native Egg Parasitoids of Stemobzerers in Semi-Arid Kenya” .......................................................... 96
ODUOR, RICHARD OKOTH (M.SC) “In Vitro Regeneration of Popular Kenyan Dryland Maize Hybrids” .......................................................... 97

JUDITH KARIMI N. OTELE (MPHE) “Gender Disparities in the Utilization of Voluntary Counselling and Testing Services for HIV in Nairobi Province, Kenya” .......................................................... 98

KOSKEI, JUSTICE KIPLANGAT (MPHE) “Some Factors Associated With Mother-To-Child Transmission of Human Immuno-Deficiency Virus Among Ante-Natal Mothers in Catholic Hospitals, Meru Central District, Kenya” .................................................................. 99

AYIRO LABAN PETER (M.SC) “Intrapreneurship Modelling in a Semi-Autonomous Government Agency: A Case Study of the Kenya Education Staff Institute” .......................................................... 101

OSERO JUSTUS O.S. (M.P.H.E.) “Maternal Use of Insecticide-Treated Nets in the Prevention of Malaria Among Children Under Five Years in Nyamira District, Kenya” .......................................................... 102

CAROLINE MOGERE OCHARO (M.SC) “Isolation and Identification of Antibacterial and Antifungal Compounds From Selected Kenyan Medicinal Plants” .......................................................... 103

RICHARD ODUOR OKOTH (M.SC.) “In Vitro Regeneration of Popular Kenyan Dryland Maize Hybrids” .................................................. 104

WAMBUI NJUGUNA (M.SC) “Characterization of Kenyan Sweet Potato [Ipomoea Batatas (L.) Lam] Germplasm using Morphological and Molecular Markers” .......................................................... 105

EVELYN M. MUGAMBI (MPHE) “Personal Hygiene and Sanitation Practices of Pupils: A Comparison Between an Intervention and A Control Site in Kajiado District, Kenya” .................................................. 106

ROSEMARY WANJA MUTEGI (M.SC) “Molecular Characterization of Transgenic Sweet Potatoes (Ipomoea Batatas (L) Lam) Following Genetic Transformation With Viral Coat Protein and Gus Genes” .......................................................... 108
STEPHEN MAGANA GIKUNDA (MPHE) “Utilization of Amodiaquine and Sulphadoxine -Pyrimethamine and the Prevalence of Antimalarial Drug Resistance in Bungoma District, Kenya” .................................. 109

AGOLA LELO ERIC (M.SC) “Analysis of Genetic Diversity of Schistosoma Mansoni in Kenya Using Microsatellite Markers” .................. 110

DAMIAN OTIENO OPEMO (MPHE) “Causes of Mortality Among the Fishermen in Lake Victoria, Kenya” .......................................................... 112

NDUNG’U W. PERPETUAL (MSC) “Bacterial and Rotaviral Causes of Diarrhoea in Children Below 5 Years and the Genetic Basis of Antibiotic Resistance” .......................................................... 113

ADEL EPHRAIM ODEK (M.SC) “Assessment of Eosinophiluria Using Eosinophil Cationic Protein: Comparative Study in Single and Mixed Schistosoma Infections in Kenyan School Children” .......................................................... 114

ALIOUNE TOURE (PH.D) “An Assessment of the Use of Botanical Extracts and Pheromones for the Off-Host Andon-Host Control of Amblyomma Variegatum Tick” .............................................. 115

PAULINE N.M. MWINZI (PH.D) “Cellular Immune Responses in Susceptible and Resistant Schistosomiasis Patients Co-Infected With Hiv-1 in Kisumu District, Kenya” .......................................................... 116

CHARLES AURAMIDEKA (PH.D) “Impact of a Habitat Management System and Bt-Maize on Stemborer Natural Enemies and Biodiversity of Arthropods and Soil Fauna in Kenya and South Africa” .......................................................... 118

JOSEPH KIMIRI GATHUA (PH.D) “Pozzolanicity of Selected Kaolinites with Special Focus on Pyroprocessing Parameters” .................. 119

OMOLO MAURICE VINCENT OCHILO (PH.D) “Isolation and Identification of Behaviourally Active Semiochemicals from Human Foot Odour as Attractants for African Malaria Vectors” .................. 121

SCHOOL OF HUMANITIES & SOCIAL SCIENCES ........................................ 122
NYONGESA BEN WEKESA (M.A.) “Kenyan Newspaper Discourse: An Investigation of Rhetorical Structure in Editorials as Argumentation” .......................... 122

MIRIAM AGATHA C. NWOYE (PH.D) “Transitional Ceremonies in Igbo Indigenous Religion: The Case of Nri and Ihiala People of Anambra State, Nigeria” ......................................................... 123

NAHASHON GITONGA (PH.D) “The Process of Inculturation of Christianity in Kenya: A Case Study of The Kaaga Methodist Synod, Meru” ............................................................. 125

ADDITION TO YEAR 2004 LIST OF ABSTRACTS
The Following abstracts did not appear in the year 2004 book of abstracts because of time constraints:

SCHOOL OF HUMANITIES & SOCIAL SCIENCES .................................................. 126

NYAGA, STEPHEN NJOKA (PH.D) “Dynamics of Environmental Perceptions: Implications of the Mijikenda Muslims in Coast Province, Kenya.” ................................. 128

JAMES, RUTH MUTHEI (PH.D) “Factors that Hinder Women’s Participation in Theological Education in Kenya.” ......................................................... 130

OSWAGO, ROBERT OMONDI (M.A) “Factors Influencing Household Food Security Among Small-Scale Farmers: The Case of West Kanyaluo Location, Rachuonyo District, Kenya.” ......................... 132

OBAGA, ANDREW ORDO (M.A) “the merger of Indigenous Abagusii and Western Classical Musical Idioms in the Arrangement and Composition of Contemporary Kenyan Music.” ........... 133

School of Education ....................................................................................... 135

SCHOOL OF PURE & APPLIED SCIENCES .................................. 136

RABBI, YUSUF ISMAIL (M.SC.) “Population Genetics of Wild Cowpea [Vigna Unguiculata (l.) Walp.) From Coastal Kenya.” ........................................................................................................... 136

ALAKONYA, EMITATI AMOS (MSC.) “Ear Fungi and Fumonisin b1 Levels in Selected Maize Varieties at Different Harvest Intervals in Western Kenya.” ............................................................. 137

AMIANI, PHINEAS AMBAGWA (M.P.H.E) “Knowledge of the Relationship Between Sexually Transmitted Infections and HIV Transmission Among Secondary School Students in Kabartonjo Division, Baringo District.” ........................................................................ 139

MAUNDU, ELLIUD M (PH.D) “Breeding of the Honey Bee (apis mellifera l.) And its Potential for Royal Jelly Production in Kenya.” ................................................................. 140

SCHOOL OF ENVIRONMENTAL & HUMAN SCIENCES .......... 142

WANG'OMBE ESTHER MURINGO (M.ENV.S.) “Forest Resource Valuation: A Case Study of Nuu and Iveti Hills in Eastern province of Kenya.” ................................................................. 142

AKUNGA, ALICE BONARERI (PH.D) “Application of Community Participation Paradigm in the care of Children Orphaned by Hiv and Aids in Kibera Division, Nairobi, Kenya.” .................................................. 143
