**POST WORKSHOP/CONFERENCE REPORT**

## Submission of Workshop/Conference reports

Two weeks after attendance of workshop or conference, members of staff are expected to submit brief reports. The objective of the report is to identify lessons/experiences for dissemination, share ideas and best practices and potential networks/partnerships to be pursued. The report should incorporate the following:

- ✚ The **Summary Statement** - describe the workshop/conference attended (Where? When? Conference objectives? Target Audience? Conference organisers?)
- ✚ The **Workshop/ Conference Details** describe the themes discussed:
  - Describe your expectations or objectives(s) in attending the workshop or conference.
  - Describe your overall reaction to the workshop or conference and whether your expectations or objective(s) were met.
  - Mention what aspect of the workshop or conference was of particular value to you.
- ✚ List the **Lessons learnt or conference outcomes**
- ✚ Attach additional documents like **paper presented, PowerPoint presentations.**

The report and accompanying documents should be submitted in electronic format to the Registrar Research, Innovation and Outreach at <[registrar-rio@ku.ac.ke](mailto:registrar-rio@ku.ac.ke)>.

## CONFERENCE/ WORKSHOP REPORT

**Attendee Name:** DR MARY OTIENO

**Attendee Designation and Department:** Senior Lecturer, Educ. Magt. Policy & Curr. Studies

**Title of workshop/conference:** The 11<sup>th</sup> Global RCE Conference: Education for the Sustainable Development Goals

**Conference URL:** <http://www.rcenetwork.org/portal/11th-global-rce-conference>

**Conference Summary:** *Brief description, conference organizers, target audience, venue and duration.*

The **11th Global RCE Conference** was held in Cebu, Philippines from 7-9 December, 2018. Jointly hosted by RCE Cebu and UNU-IAS

The conference provided an opportunity for RCE members to meet and share ideas in relation to sustainable development issues relevant to their respective regions through education and training at all levels, under the theme 'Education for the Sustainable Development Goals'.

The Society's target audience and members include over 3,000 academics, students, practitioners, and policymakers from around the world.

The conference provided the opportunity for the RCE community to celebrate their activities and achievements, with the importance of education, multi-stakeholder partnerships for community service, cooperation across boundaries, and incorporation of global perspectives into local actions among the key points highlighted throughout the two-day event

The conference was held in Cebu City, The Philippines, December 7<sup>th</sup>-9<sup>th</sup> 2018, organized by UNU, the Global RCE Service Center

**Workshop/ Conference Objectives:** *Describe conference objectives*

The conference role was to determine multi-stakeholder partnerships as well as RCE engagement in national and international sustainability processes. To share best practices of People, Prosperity, and Planet. Participants also benefitted from capacity-building workshops which were conducted related to Primary & Secondary Education, Higher Education & TVET, and Community Education.

**Lessons learnt:** *Identify specifically what you are bringing back from the conference that relates to your departmental/school/University objectives.*

- Literature on ESD and SD
- Network contacts for future collaboration and partnerships for KU and staff on ESD and SD

- Research opportunities

**Title of Paper/Presentations/Lectures done by self:**

Digital Media Coverage: Where RCEs Should Focus in Advocacy

The focus of my paper was the importance of advocacy using different types of digital media coverage

**Partnership/Collaborations/Funding Opportunities/Networks Developed:** *List new contacts developed that may be useful for collaborations and funding*

**Additional Comments.**

It was a very informative meeting on ESD best practices and pedagogy for teaching that faculty members will benefit from especially online resources.
