POST WORKSHOP/CONFERENCE REPORT

Submission of Workshop/Conference reports

Two weeks after attendance of workshop or conference, members of staff are expected to submit brief reports. The objective of the report is to identify lessons/experiences for dissemination, share ideas and best practices and potential networks/partnerships to be pursued. The report should incorporate the following:

- ✚ The **Summary Statement** - describe the workshop/conference attended (Where? When? Conference objectives? Target Audience? Conference organisers?)
- ✚ The **Workshop/ Conference Details** describe the themes discussed:
 - Describe your expectations or objectives(s) in attending the workshop or conference.
 - Describe your overall reaction to the workshop or conference and whether your expectations or objective(s) were met.
 - Mention what aspect of the workshop or conference was of particular value to you.
- ✚ List the **Lessons learnt or conference outcomes**
- ✚ Attach additional documents like **paper presented, PowerPoint presentations.**

The report and accompanying documents should be submitted in electronic format to the Registrar Research, Innovation and Outreach at <registrar-rio@ku.ac.ke>.

CONFERENCE/ WORKSHOP REPORT

Attendee Name: Dr. Eliphas Gitonga Makunyi

Attendee Designation and Department: Post-doctoral fellow and lecturer of Population and reproductive Health

Title of workshop/conference: 2021 International population conference

Conference URL: <https://ipc2021.secure-platform.com>

Conference Summary: *Brief description, conference organisers, target audience, venue and duration.*

This was a scientific conference organized by international Union of Scientific Study of Populations (IUSSP). This is an international association involved in study of demography, statistics and health. The conference was virtual and was between 5th to 10th December 2021. The audience was from academia and non-governmental organizations in America, India, Middle East, Europe, Australia and Africa.

Workshop/ Conference Objectives: *Describe conference objectives*

The onjective to share academic outputs from research of populations from the entire globe.

Lessons learnt: *Identify specifically what you are bringing back from the conference that relates to your departmental/school/University objectives.*

The art of hosting a virtual conference with all components. Key among them is timely sessions, preparations and feedback. Critically, this conference was able to issue certificates for presenters like me and participation.

Title of Paper/Presentations/Lectures done by self:

Family planning among blended Somali women in Nairobi City, Kenya.

Partnership/Collaborations/Funding Opportunities/Networks Developed: *List new contacts developed that may be useful for collaborations and funding*

I am currently a IUSSP fellow who funding is through KU research account.

Additional Comments.

The Certificate is attached.
