POST WORKSHOP/CONFERENCE REPORT

Submission of Workshop/Conference reports

Two weeks after attendance of workshop or conference, members of staff are expected to submit brief reports. The objective of the report is to identify lessons/experiences for dissemination, share ideas and best practices and potential networks/partnerships to be pursued. The report should incorporate the following:

- ✚ The **Summary Statement** - describe the workshop/conference attended (Where? When? Conference objectives? Target Audience? Conference organisers?)
- ✚ The **Workshop/ Conference Details** describe the themes discussed:
 - Describe your expectations or objectives(s) in attending the workshop or conference.
 - Describe your overall reaction to the workshop or conference and whether your expectations or objective(s) were met.
 - Mention what aspect of the workshop or conference was of particular value to you.
- ✚ List the **Lessons learnt or conference outcomes**
- ✚ Attach additional documents like **paper presented, PowerPoint presentations.**

The report and accompanying documents should be submitted in electronic format to the Registrar Research, Innovation and Outreach at <registrar-rio@ku.ac.ke>.

Title of workshop/conference: The 62nd Comparative International Education Conference Society 2018

Conference URL: <https://cies2018.org/cies-2018/Mexico>

Conference Summary: *Brief description, conference organisers, target audience, venue and duration.*

The **CIES Annual Conference** is an academic conference attended by researchers, students, practitioners and policy makers interested in comparative and international education. Each CIES conference has a theme that is intended to serve as a broad umbrella under which a wide range of work can be presented, while still yielding the consolidation and advancement of knowledge.

The Society's target audience and members include over 3,000 academics, students, practitioners, and policymakers from around the world.

The conference was held in Mexico City, March 25th-29th 2018, organized by a board of 18 members representing different interest groups.

Workshop/ Conference Objectives: *Describe conference objectives*

The 2018 CIES Mexico conference objective was Re-Mapping Global Education: South-North Dialogue, to promote a shift in the traditional starting point of research toward the global South.

Lessons learnt: *Identify specifically what you are bringing back from the conference that relates to your departmental/school/University objectives.*

- Literature on how education dimensions are changing around the world
- Network contacts for future collaboration and partnerships for KU and staff in the future
- Popular issues for further research

Additional Comments.

It was a very informative research based conference. The award I received crowned it all putting the name of my department and Kenyatta University in the global map of outstanding researchers in one of the biggest global Education conferences.
